PUZZLE

Welcome to the Puzzle Adventure, kidds! Get ready for a super exciting game where you can explore and learn all about the amazing plants, animals, and things hiding in the cool Prosperina rainforest.

Are you all set to jump into the wild jungle and learn how to match the pictures with their names in English?

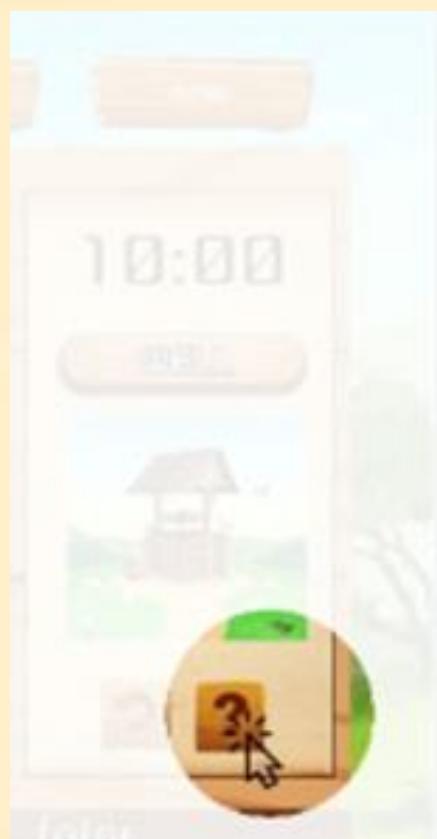

Next

PUZZLE

Your mission is to drag each puzzle piece to the right spot. How can you do it? You can look at the picture to help you out, and if you need some extra brainpower, you can use some help, you have got two chances to use it!

Next

PUZZLE

Next

PUZZLE

When you click on the button, a part of the space where they are located will light up as well as the piece that should go in that space.

Next

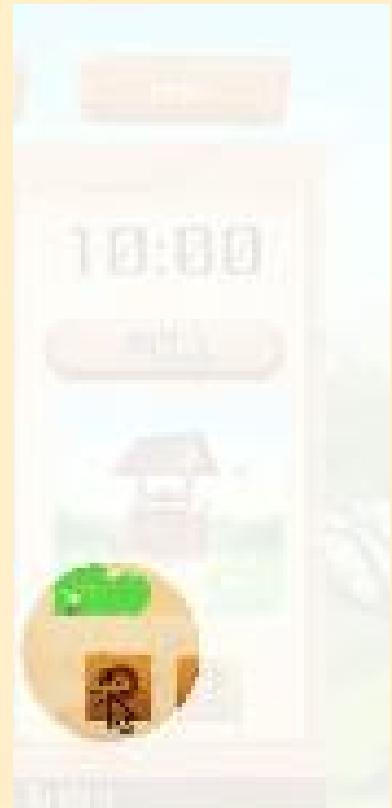

PUZZLE

But here's the tricky part: you need to put the puzzle together before 10 minutes are up. Do you think you can beat the clock?

Next

PUZZLE

And if you ever want to start over and give it another try, no worries! Just click the "Restart" button to reset the level

Next

PUZZLE

Alright, little adventurers, it's time to learn,
have a total blast, and take on the awesome
challenge of the Prosperina rainforest!
